January 2022

### **Snow Removal**

Snow removal begins at 2 inches of snow fall. Snow removal includes Shoveling of sidewalks, steps, stoops, plowing of the parking lots and Salting of all surfaces.

**Neighbor Wellness Check:** Don't forget to keep an eye out for your neighbors during the very cold & snowy winter days. Not everyone has family to check in on them. If you think someone needs help, you can call the police and ask for a "Welfare Check" at their address.

#### Don't leave your car running, & unlocked

It's illegal in Illinois to leave your vehicle running, unlocked & unattended. You could get a ticket. The only exception, according to Waukegan police officers, are if you have a keyless remote start or ignition safety switch like they have in their squad cars; it allows you to pop the keys out and render the vehicle locked while it is running.

Any motor vehicles parked on CV Property must display a current CVOA Resident or Guest Parking Decal or the vehicle will be subject to immediate tow. DO NOT PARK IN THE FIRE LANES. (15 min to load & unload is allowed) If you observe suspicious activity call the police.

## **Ever wonder how January 1st became the start of the New Year?**

This date goes back to when Julius Caesar debuted the Julian calendar and set the date to be the first date of the year after he reformed the calendar in 46BC. New Year's Day was dedicated to Janus, the god of gates and beginnings, by the Romans.
